The limitations set for specific areas of the national territory pursuant to article 1 par.3 of decree 33/2020 as well as the limitations established in relation to the origin from specific states or territories pursuant to art. 1 par 4 of decree 33/20

Pursuant to **Article 7** of the aforementioned Decree, without prejudice to prohibitions and limitations of entry into Italy provided for by Article 6, anyone who enters the Italian territory, regardless of the period of stay, from foreign states or territories referred to in lists **B, C, D, E** of Annex 20 are required to submit to the carrier upon boarding and to anyone in charge with control procedures a declaration made pursuant to articles 46 and 47 of the decree of the President of the Republic of 28 December 2000, no. 445, giving clear and detailed indications, such as to allow the verifications, of:

- a) foreign countries and territories in which the person stayed or transited in the 14 days prior to entering Italy;
- b) reasons for travelling pursuant to art. 6, in the case of entry from States and territories referred to in lists **E** of the Annex 20
- c) in case of stay/transit in States/territories referred to lett. **D, E** of the Annex 20 in the 14 days prior to entry into Italy:
 - 1) address of the home/residence in Italy where the period of health surveillance/fiduciary isolation will be carried out;
 - 2) private means of transport that will be used to reach the place referred to in number 1) or, exclusively in the event if entry into Italy by scheduled air transport, the additional scheduled air transport that must be used to go to the final destination and ticket identification code;
 - 3) phone number for due communications during the health surveillance and fiduciary isolation period;
 - 4) circumstance/s as referred to in Article 8, paragraphs 7 and 8.

In the cases provided for by this decree and in other cases as established by the Health Authority pursuing safety protocols, it is mandatory to submit to the carrier upon boarding and to anyone in charge with control procedures the certification of having undergone, in the **48** hours prior to entry into the Italian territory, of a molecular or antigen test, carried out by means of a swab having negative result.

Persons, who have stayed or passed through, in the fourteen days prior to entering Italy, in states or territories referred to in lists **C, D, E** and **F** of Annex 20, even if asymptomatic, are obliged to immediately communicate their entry into the Italian territory at the Department of prevention at the competent local health unit (ASL).

In the event of the onset of COVID-19 symptoms, the obligation remains for anyone to report this situation promptly to the Health Authority and to undergo isolation pending the consequent determinations of the Health Authority.

➤ Pursuant to **Art. 8** of the aforementioned DCPM, persons who have stayed/transited, **in the 14 days prior** to entry into Italy, in states or territories referred to in lists D, E of the Annex 20, even if asymptomatic, must comply with the following obligations:

- a) to use **exclusively a private vehicle** to go from the place of entry into the Italian territory to the house or residence where the period of health surveillance/fiduciary isolation will be carried out pursuant to Article 7, paragraph 1, lett. c), except in case of airport transit referred to in paragraph 3;
